

WE'RE MAKING AN IMPACT.

At DIGS, our mission is to break the cycle of homelessness by furnishing homes with creative, custom designs, using sustainable, upcycled solutions.

In 2025, DIGS took critical steps toward building a stronger, more sustainable future. The generosity of our donors and community volunteers fuels this work and scales our impact.

- Kim Hannay, Executive Director

Home, to me, means peace, stability, warmth, family, and love. DIGS is truly an answered prayer to those in need.
